1. The firm shall fulfill the usual terms and conditions as mentioned in original permission for allocation of water by the Chief Engineer, Krishna Delta System. Vijayawada vide proceeding No. CE/KDS/ VJA/OT3/ AE10/Industrial water/2862, Dt.23.11.2017.
2. Water meters or suitable measuring devices should be installed by the industry at their own cost to measure the water consumed and should be made available to the department authorities and the representatives of the user shall be present at all time of inspection.
3. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the department.
4. The industry should pay the water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty the permissions to draw water shall stands cancelled.

Contd.P2

5. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government the lease should be paid as fixed by Government only.
6. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P Pollution Control board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural sources. Necessary clearance from the A.P Pollution Control Board is to be obtained in this regard by the firm before drawl of water from the source.
7. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
8. The Water Resources Department is no way responsible for non- supply of water due to any reasons.
9. The water drawn from the Krishna River should be utilized for the purpose for which the permission is granted. Any misuse on this account shall entail cancellation for the permission without any notice and liable for imposition of penalty.
10. The industry should follow the Revenue Board Standing Orders.
11. The industry shall pay security deposit at 5% on 10 years water charges for which permission is granted.
12. The industry shall pay one-year water charges as advance and any amount due to the department before entering into agreement.
13. The industry has to conclude agreement with the officers concerned of Water Resources Department.
14. The industry shall abide by RC Act-1884 and any other conditions laid down by the Government Department from time to time.
15. The industry should make its own arrangements for summer storage in their premises only.
16. The industry has to conclude agreements for summer storage in their premises only.
17. The industry shall abide by any other conditions laid down by the Government/Department from time to time.
18. The industry has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10th April every year as per BSO.
19. Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Government.
20. The proposed drawl for this plant should not affect lower riparian rights (LRR) and Upper riparian rights (URR) in any manner.
21. The Department is no way responsible for any damages that may occur to the off-take point due to floods in Krishna River or on an account of any other reasons.
22. The permission does not confer any riparian right to the industry.
23. Non-Adherence to any of the above conditions by the industry will entail cancellation of the permission.
24. The firm has to produce the relevant records for Department verification at the end of each quarter periodically.
25. This renewal of permission accorded shall be for a period of 5 years with effect from 31/05/2025. The permission shall have to be renewed well in advance, i.e., at least three months before the expiry of permission.

Contd .P3

26. The industry shall pay water charges as per Government memo.No.2772/Reforms/A2/2015-1, dt.30.09.2015 at the rate of Rs.5.50 per 1000 gallons as the water is used for consumptive use or at the revised rates fixed by the Government from time to time.
27. The consumptive utilization of 0.024TMC (per year) as required should not exceed under any circumstances.

3. After careful examination of the matter, Government hereby accord renewal of permission to M/s Parasakti Cement Industries Limited, Jettipalem (V), Rentachintala, Palnadu District, for drawl 1865 KLD or 0.762 cusecs of water from Krishna River for Industrial purpose for a further period of Five (05) years from the date of expiry i.e. with effect from **31-05-2025 to 30-05-2030**, subject to the terms and conditions as mentioned at para-2 above.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer Krishna Delta System, Vijayawada and the Collector & District Magistrate of Palanadu District shall take necessary action accordingly.
